

U.S. PATENT APPLN. NO.
10/032,279 DOCKET NO. 2328-059

REMARKS

The Advisory Action says the December 29, 2005 amendment to dependent claims 25 and 36 requires consideration of new issues, but makes no mention of the changes to claims 21, 66 or 70. Because claims 25 and 36 are not particularly important and are misdescriptive, this amendment cancels claims 25 and 36 and retains the amendments to claims 21, 66 and 77. Consequently entry of this amendment is in order.

Applicants submit a Notice of Appeal concurrently with this amendment.

Please charge any shortage in fees due in connection with the filing of this paper, including extension of time fees, to Deposit Account 07-1337 and please credit any excess fees to such deposit account.

Respectfully submitted,
